## TOSF 2019 CORNHOLE CLASSIC: About the Charities

### Rotary International: "Service Above Self".

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

- **Promote peace:** Encourages conversations to foster understanding within and across cultures.
- **Fight disease:** We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.
- **Provide clean water, sanitation, and hygiene:** We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.
- **Save mothers and children:** We expand access to quality care, so mothers and their children can live and grow stronger.
- **Support education:** To strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.
- **Grow local economies:** We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

### K9s For Warriors

"K9s For Warriors is dedicated to providing service canines to our Warriors suffering from Post-traumatic Stress Disorder, Traumatic Brain Injury, and/or Military Sexual Trauma as a result of military service post-9/11. Our goal is to empower them to return to civilian life with dignity and independence.

We are the nation's largest provider of service dogs for disabled American veterans. Our program is unique, and no other organization operates like K9s For Warriors. Every warrior that walks through the door is family. We provide them with a Service Canine, equipment, training, certification, seminars, legal instruction, vet care, housing, home cooked meals, unconditional love and listening, and life-time of wrap-around services (including available life-long healthcare for their dogs). The K9s program is 100% free for the veteran. We have our warriors' backs." [Find out more at k9sforwarriors.org](http://k9sforwarriors.org)

### Manna Conejo Valley Food Bank

Founded in 1971 by a group of people who felt that no person should ever go hungry in the Conejo Valley, Manna Conejo Valley Food Bank has been providing food assistance to our friends and neighbors in need for more than 40 years; and have made it our mission — "To feed hungry people in the Conejo Valley". With holiday distribution programs, we help over 20,000 people each year throughout the 101 corridor cities from the Calabasas Grade to the Conejo Grade. Unlike many food pantries in the area, Manna is not formally affiliated with any religious organization, nor are we federally funded in any way. In fact, Manna exists almost entirely on private donations of food and funding. More than 95% of the food Manna distributes each year is donated by organizations, businesses and individuals from around the Conejo Valley. Funding is provided through generous donors and grant writing efforts. "Manna Has Taken A Strong Stance Against Hunger". [Find out more at mannaconejo.org](http://mannaconejo.org)
